Paul,

Please see attached letter requesting a time extension for submittal of draft reclamation cost estimates for La Sal/Snowball Mine (M/037/0026), Pandora Mine (M/037/0012) and Rim-Columbus Mine (M/037/0006). Instead of submitting them today, as was requested in your letter, we propose to submit them December 21, 2015.

Please let us know if this time extension is acceptable.

Thank you,  
Andrea

Andrea,

Thank you for submitting this request. The Division approves the requested extension. The bond estimates are

now due on December 21, 2015.

Also, thank you for submitting the draft bond estimates for Daneros, Redd Block IV, and Energy Queen. These will be reviewed and responses will be issued regarding Division concurrence with the estimated amounts for each.

Thanks again for your attention to these matters.
